ANNUAL SCHOOL ELECTION

Notice is hereby given to the qualified electors of Freeland Community School District that the Annual Election will be held on June 10, 1963 at the Freeland Elementary School, 3rd Street, Freeland, Michigan. Names of Candidates for the Board of Education to be elected:

Donald Fraser, 4 year term, Trustee, Bd. of Ed.
Kenneth Youker, 4 year term, Trustee, Bd. of Ed.
The Following Question will be voted upon:
"Shall the limitation on the total amount of taxes which may be assessed against all property in the Freeland Community School District, Saginaw, Bay and Midland Counties, Michigan for all purposes, except taxes levied for the payment of interest and principal of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article 10 of the Constitution of Michigan, by two mills (\$2.00 per \$1,000) of the assessed valuation, as equalized, of

all property in the School District for the year of 1963, for the purposes of providing additional funds for operating purposes?"

The Polls for the said Election will be open from 12:00 o'clock noon and remain open until 8:00 p'clock pm of the same election day.

Dated 5-27-63
Secretary, Bd. of Ed.

FREELAND FRONTIER DAYS

In order to preserve the memories of the past in this fast growing community, the Freeland Athletic Association and the Freeland Lions Club are sponsoring the First Annual "Freeland Frontier Days" June 21, 22 and 23 to focus attention to the fact that Freeland is the "Hub" of the Tri-City Area. Dr. Howard Tessman is General Chairman this first year, assisted by Howard Smith of the Athletic Association and Fred Thomas of the Lions Club. Wally Green is the Secretary of the organization and Hugh Timmons, the Treasurer. The theme and program Chairman, Richard Ault, and his committee have arranged a full schedule of events from Friday evening through Sunday; including sky diving, go-cart races, children's games and prizes, a Little League game, Indian Dancing, Adult competition, Band Concert, and fire works. --

The annual school election will be held at the Freeland Elementary School on Monday, June 10th, 1963 from noon(12:00)until 8:00pm. We urge you to exercise your right and the privelege to vote. The following matters will require your consideration:

1. Elect one (1) Trustee to the Freeland Board of Education for a four (4) year term. Candidates, incumbent Donald Fraser and Kenneth Youker.

2. Establish an operating millage for the 1963-1964 school year.

(a) School operating millage established on an annual basis.

(b) The Freeland School District was originally allotted 9.5 mills by the Saginaw County Allocation Board.

(c) The Bay County section of our district however, was only allotted 8 mills by the Allocation Board. The law states that we must levy throughout our district, the lowest millage granted to any portion of the district. It should be noted that effective as of the 1964-1965 school year, this law has been changed with the adoption of the new State Constitution and starting with the above mentioned year, we will be able to accept the highest millage allocated by the County Al-

location Boards of either Bay, Midland or Saginaw County. It is our feeling that this is the most realistic approach to the money question and undoubtedly will mean a considerable savings to our local taxpayer.

(d) We generally ask our voters to grant us the difference (1.5 mills) between the original (9.5 Mills) allocation and Bay County (8 Mills) allocation.

(e) This year we are asking for the same millage as was granted to us last year. We need ten(10) mills as a minimum to operate our schools. We can only collect eight (8) mills however, as set by the Bay County Allocation Board. Our voters therefore, are asked to approve a two (2) mill levy over the lowest allocation. Notes: (1) If we are forced to accept the eight(8) mills levied, our district stands to lose better than twenty three thousand dollars(\$23,000.00) in operating funds. (2) If we established ten (10) mills, our school operation will be only twenty two hundreds of a mill over the fifteen (15) mill total for all school operating costs, including Intermediate School District (new this year) County and Township costs, this represents only two thousand five hundred and thirty dollars (\$2,530.00) spread over the entire school district or a total of approximately a dollar

and sixty three cents (\$1.63) to each tax payer. Remember, June 10th, 1963, you will be asked to make a decision on two major areas. In order; (1) election of one trustee to the Freeland Board of Education; (2) establish an operating millage for the 1963 - 1964 school year.

The matter of voting for school operation millage is not by our own choosing. This situation is created out of a peculiarity in the law and the fact that Bay County traditionally allocates low millage to its schools. Our schools need ten (10) mills to continue its fine educational program. We are simply asking for the same millage that was granted to us by the voters last year. We are asking for your continued support in this very important area. You are not required to be registered, to be a property owner, you must be a citizen of the United States, over twenty one (21), a resident of the State for six (6) months, a resident of the school district for thirty (30) days. Please support the millage question for the sake of the educational welfare of the students of our district. VOTE JUNE 10th, 1963, Freeland Elementary School, 12:00 noon to 8:00 P.M. in the evening.....

During his tenure, the
church has grown in
membership, improvements
were made and new struc-
tures built. Rev. Tur-
bin came to Freeland
from Three Oaks, Michi-
gan where he served the
Methodist church.

Sunday, June 2nd the
congregation is holding
a farewell gathering,
everyone welcome, in
honor of Rev. Turbin and
his family. The time
will be 3 pm to 5 pm in
the church basement.
Tea, coffee, punch and
